Introduction

Aim

The aim of this training is to provide you with information and knowledge on how to use the JUST Connect online scheduling system.

Objectives

At the end of this session participants will be able to:

- Understand what the AVL project is (at a high level)
- Operate JUST Connect to make appointments
- Manage and edit appointment details
- Understand how notifications are sent/viewed
- Know where to find support contacts and material

There will be no formal knowledge review; however there are system based activities that will allow you to put into practice the knowledge learnt.

JUST Connect

What is JUST Connect?

JUST Connect is a web-based system enabling video conferencing collaboration, coordination and connection to the Department of Justice.

JUST Connect will enable booking of video and telephone sessions, professional interviews, visits, meetings, conferences and booked court appearances (used for Supreme Court arraignments and NCAT), as well as the management of custody list for court appearances.

Who uses JUST Connect?

JUST Connect now has over 10,000 profiles; this includes users from Legal Aid, Corrective Services, Juvenile Justice, Courts and Tribunals, State Parole Authority, Supreme Court (arraignment), NCAT (Guardianship Division), Aboriginal Service Unit (ACCSO), Aboriginal Legal Service and limited Private legal and medical professionals. Upcoming releases may see more users receive access to JUST Connect as well as the roll out of additional functionality and enhancements for both AVL bookings and custody list management.

About the AVL Project

JUST Connect has been developed by the NSW Department of Justice Audio Visual Links Consolidation Project (AVL Project).

The AVL Project is a Department wide project, working with all Justice agencies and the wider justice sector.

The Project aims to expand access to AVL, enhance business processes and to provide support systems to optimise use of AVL across the Justice community.

System requirements

Please note that JUST Connect is only supported by the following web browsers:

- Google Chrome v56 or above

- Internal users will not be timed-out if there is no interaction with JUST Connect. However, if there is no interaction on their PC then their normal time-out process will occur, and they may have to sign into JUST Connect again.

Appointments

Appointment Types

There are various types of appointments that can be created in the JUST Connect system.

Types of Appointments	Description
Court	Book a Court appearance with an inmate (Supreme Court Arraignments and NCAT only), or booking a Remote Witness Room.
Correctional Meeting	Appointments made on behalf of a professional (lawyers / barrister) with an inmate (correctional services) or detainee (juvenile justice).
Correctional Assessment	Appointments made on behalf of a medical practitioner with an inmate or detainee.
Peer	Book appointment with colleagues/peers, for a meeting, conference, interviews, or training. Can be made within an agency (intra-agency) or with any other agency (inter-agency) at any time of the day within the agencies specified time frames.
Compassionate Visit	A Correctional Officer is able to book and/or manage on behalf of family and friends with a person in-custody

Note: The types of appointments that are available to you are dependent on your role and permissions.

Person in-custody 'in transit'

If you are making an appointment and the person in-custody is in transit, you will not be able to save the appointment as the location of the person in-custody is not able to be retrieved from OMIS. The location will not be updated until the person in-custody reaches their final destination. JUST Connect will return a message telling you to contact JUST Connect in these instances.

If a person in-custody goes into transit at a time when the appointment is scheduled, the appointment will remain in place within JUST Connect until the new location is updated in OIMS.

When OIMS has been updated, the information will automatically be transferred to JUST Connect, and the appointment will be cancelled (as the location for the appointment is no longer correct). This also applies to court appointments where multiple persons in-custody are attendees on the one appointment, and at least one of these person in-custody has gone into transit.

Interpreter service

The interpreter service in JUST Connect flags that an interpreter will be present at the appointment. It **does not book** the interpreter, or notify anyone that an interpreter is required.

Therefore you must follow your usual business processes to order an interpreter for an appointment.

Appointment Status

All appointments in JUST Connect are assigned a Status. The status applied to appointments is based on the following:

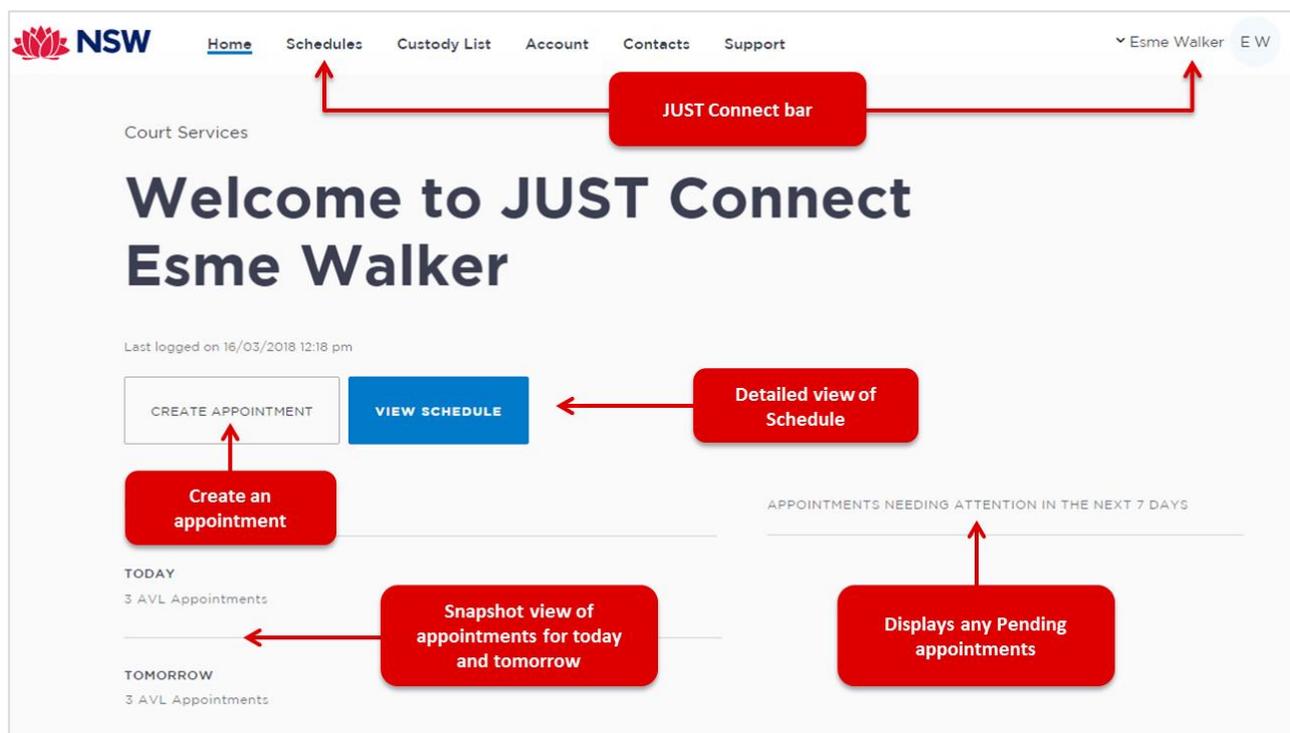

- Type of appointment, if appointment includes an inmate (Corrective Services) or detainee (Juvenile Justice)
- When the appointment is created (date and time) and when the appointment is to occur (date and time).

Appointment Status	Description									
Pending	Appointments made with a person-in-custody at short notice (see below) will be given a status of Pending. These appointments must be accepted or declined by a AVL Correctional Services Officer or AVL Juvenile Justice Officer.									
	<table border="1"> <thead> <tr> <th>Created/made:</th> <th>Booked to Occur:</th> <th>Status</th> </tr> </thead> <tbody> <tr> <td>Today</td> <td>Today (same day)</td> <td>Pending</td> </tr> <tr> <td>Today after 3pm</td> <td>Next day</td> <td>Pending</td> </tr> </tbody> </table>	Created/made:	Booked to Occur:	Status	Today	Today (same day)	Pending	Today after 3pm	Next day	Pending
	Created/made:	Booked to Occur:	Status

Creating a Court appointment as a Supreme Court/SPA Registry Officer

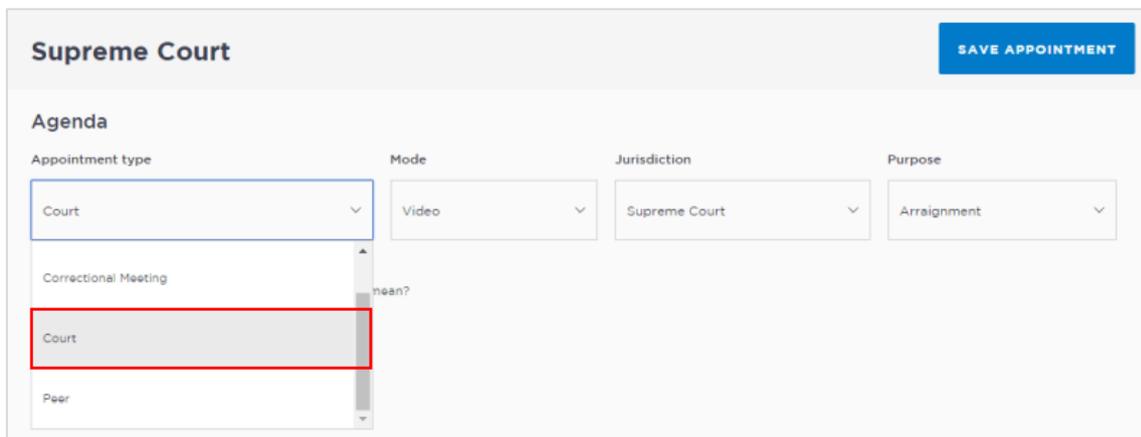

Supreme Court Registry Officers can use JUST Connect to make AVL appointments for arraignments. SPA Registry Officers make AVL appointments for parole hearings using the same steps as a Supreme Court registry officer.

Court appointments made by a Supreme Court/SPA Registry Officer for a Court appearance will always be given a status of **Scheduled** regardless of when the appointment is made, ie appointments made at short notice **will not** be given a status of **Pending**.

Managing Appointments

Managing an appointment includes:

- Edit appointment details (eg add attendees, change locations, rooms, date or time)
- Cancel an appointment
- Accept or Decline an appointment

An Appointment owner, Corrective Servicer Officer or an attendee (excluding person in-custody) can **Cancel** an appointment.

Only a Correctional Service Officer has the functionality to **Accept or Decline** appointments.

When cancelling, declining or marking appointments that did not occur, a reason pop-up prompt will display enabling you to select from the drop-down list. It is important that the most relevant reason is selected. If more information is required there is a free text box following the selected reason. The selected reason will be included in the email and/or SMS notifications that are sent to attendees.

Pending Appointments

All **Pending** appointments must be **accepted or declined** by a Corrective Services or Juvenile Justice Officer. All other appointments will be automatically scheduled (confirmed) by the system, i.e. are automatically accepted.

When a **Pending** appointment is declined the appointment is **removed** from the appointment owner's and attendee's calendar (day and week) view. However it will remain in the **Appointment List** marked as **Decline**.

Notifications are automatically sent (via email / sms) to the appointment creator, and attendee's (excluding person in-custody) advising whether the appointment has been accepted or declined (includes reason why appoint was declined).

The screenshot displays an appointment management interface. At the top, the appointment title is "SIMS, Dwayne - John Morony CC". Below the title are three buttons: "EDIT APPOINTMENT", "DECLINE APPOINTMENT", and "ACCEPT APPOINTMENT". The "DECLINE APPOINTMENT" and "ACCEPT APPOINTMENT" buttons are highlighted with a red border. The appointment details are as follows:

Appointments can be edited by the appointment creator, appointment owner and an attendee (excluding person-in-custody) of the appointment. They will also receive an email notification when any changes are made to the appointment.

Location managers can view and edit any appointment at their designated location(s).

An appointment **cannot** be edited once it has commenced.

If an in-custody appointment is edited after 3pm the day prior, the appointment will need to be re-accepted to be confirmed (note that this applies only when changes have been made that impact the person in-custody, such as the date or time).

Editing an appointment can include:

Email notifications are sent:

- When a new appointment is created (scheduled or pending), to all attendees **not** including the person making the appointment (i.e. the creator)
- When a pending appointment is approved or declined, to all attendees and the creator.
- When any change is made to the appointment including time, location, attendees added or removed etc.

- Where the status of an appointment changes on the day of the appointment – i.e. the appointment is accepted, declined or cancelled on the day of the appointment.
